## Elegante

Paradise on the water

Hop aboard! The exhilarating, aerodynamic design is built on Doral's next generation hull and deck assembly for a high performance smooth as silk ride. The spacious individual shower, a private walk-in stateroom and a galley envisioned for the gourmet chef give you the feeling that you're on a much larger boat! Standard features include a built-in swim platform with telescopic ladder, 7.5" non-skid deck walk around including access steps and foot stop, and a fiberglass retractable radar arch with built-in lights and night lighting.
