Doral Prestancia

Put yourself at the helm of this Doral boat!

The Prestancia is more than just a powerful and agile luxury cruiser. Its elegant lines, finely crafted amenities and precisely engineered power-plant and helm represent more than three decades of Doral's unwavering commitment to putting only the finest crafts on the water. The list of standard features includes hatches with screens and built-in sunshields, portholes with screens, 6" walk around non-skid deck, semi-built in swim platform with ladder and much more! The optional front deck sunpad cushion with integrated pillows is not only comfortable but a great way to catch extra rays on those hot lazy summer days.

The optional forward sunpad is always a hit with Doral owners.
